

It can lead to ill health in  
later life

It can affect decision  
making

It can lead to accidents

It can lead to crime

It would spoil my  
friendships

It would affect too many  
other people's lives

I like being fit and healthy

I can enjoy myself without  
drinking alcohol

I do not want to abuse my  
body

My friends do not like  
drunken people

I do not want to become  
dependent on alcohol
