Sticks and Stones

What is Bullying?

Your friend stops speaking to you

You have a fight at play time

Someone steals your dinner money
every lunch time

No-one lets you play with them

Other children keep laughing at your
glasses

Someone says you're annoying

When you speak other people laugh
and make fun

You are called name every day

You receive abusive emails most
weeks from other children

When queuing for lunch you often get
pushed to the back
