

5. a. Graffiti (Tagging)

Ricky has just met his mum on the way back from the park. She told him to go home and wait for her because she wanted a word with him. He wonders if she has found out what he and his friend had been doing the night before. They found some spray paint in an old shed. It had been fun leaving their tags all over the village!

1. What kind of anti-social behaviour have you read about in this story?
2. Can you see any evidence of it in the photograph?
3. Do you think graffiti is an example of anti- social behaviour?
4. Why?
5. What could Ricky and his friend do in the evenings instead of behaving badly?
