

MALE STATEMENTS

I can't believe
she gave me her
phone number
straight away

My Mum and
Dad are away
this weekend so
now's my chance
- I'll invite her
over

Let's start by
swapping pictures
then I'll
persuade her to
go a bit further

To keep her
away from the
other kids at
school I'll tell
her that she is
the only one I
want to be with

I hope her Mum
doesn't find out

I've texted her
and she's added
me as a friend
online - this is
going to be
easier than I
thought

She's shy and a
bit of an
outsider - could
be interesting

I'll offer to help
her with her
homework so
that she'll come
to depend on me

Let's see if she
is going to show
me how much
she loves me

A few flattering
comments should
make her feel
special

I've told her not
to tell anyone

There's a new
girl in Year 10
and she lives
near me

I'll try to get
her drunk on the
way home

I'll wait after
school to walk
home with her
and get to know
her better

It will be worth
paying for her to
go to the cinema

**I'm on the
lookout for some
new 'girlfriends'**

**Now she trusts
me, it's time to
take things to
the next level**

**At last it's just
me her and
plenty of booze!**
