

Scene Nine

This scene is full of energy. Katy is standing centre stage, doing stretches.

Katy On the morning I found out, I was doing my usual morning stretches when I heard a knock at the door, I wasn't expecting anyone, so I went to answer it. *(Rosie walks on stage)* Oh Hi Rosie, you Ok? Come in come in you'll catch a cold. Sorry about my washing pile, and my ironing, I haven't had the time to do the cleaning. Can I get you a drink at all?

Rosie No...

Katy *(Ignoring her)* I've got tea, coffee, coke..diet coke, coke zero, or if you prefer something hot..

Rosie *(trying to interrupt)* Mrs Downes, I've come to speak to you about Chloe...

Katy Hot chocolate, I've even got green tea, with pineapple extract! Or a skinny latte, I reckon with a figure like that, it's definitely a skinny latte.

Rosie Please listen to me Mrs Downes.

Katy Anyways, how is Chloe getting on?

Rosie She not doing well actually...

Katy *(Ignoring her)* I don't really like asking these things, because I feel like I'm poking my nose in.

Rosie Mrs Downes?

Katy Blah blah blah blah blah blah

Rosie Please?

Katy Blah blah blah blah blah

Rosie- *Chloe's been raped! (Katy stops talking and stop what she's doing)*

Katy *(Stunned)* What? What do you mean she's been raped? Who by?

Rosie Her boyfriend.

Katy Boyfriend? She doesn't even have a boyfriend.

Rosie I think it's best I go.

Katy I didn't even know she had a boyfriend. I'm her mother and I'm supposed to know these things. I'm supposed to protect her from everything like that. I moved her away from all of that, but... I wasn't there ... my baby...raped. I had to find Chloe.
