

THE ALL WALES SCHOOL LIAISON CORE PROGRAMME

Lesson Overview: Risky Pics

STRAND:	Safety	<u>Lesson Duration:</u> Variable up to 60 minutes, by agreement with centre staff, dependent on whether lesson is delivered as a whole, or in parts and how pupils respond.
KEY STAGE:	KS3	
LESSON:	Risky Pics	

The United Nations Convention on the Rights of the Child enshrines children and young people's rights to be protected from abuse and exploitation. All children and young people are potentially at risk of being sexually abused. Schools have a central role to play in reducing this risk. By exploring the features of safe and healthy relationships, officers can help learners to develop the skills to identify potential risks, stay safe and seek help if needed.

The safer relationships lesson should be delivered as part of the school's PSE and sex and relationship education (SRE) programme. It should be consistent with the school's sex education policy and the agreed values framework for SRE. Ensure that the lesson is appropriate for the needs of learners in terms of their age, maturity, language/images used, and understanding required.

Further advice on teaching sensitive issues is available on the PSE website by following the link to 'teaching about sensitive issues' on
