

# TRICKED AND TRAPPED

## Activity 3 – CANNABIS – A gateway drug to the Criminal Exploitation of Children

In the Tricked and Trapped film, our main character was offered Cannabis by her new friends Sophie and Dean, who seemed to, “...always have some”. At first, it seemed that they were giving it away for free. They insisted on taking a photograph of the first time she tried it, even though she didn’t want her picture taken.

1. What do you know about Cannabis?

Using the <https://schoolbeat.cymru/en> website find out information about:

- a) Street names
- b) It's effects
- c) Risks and
- d) the Law around its use

2. Why do you think Cannabis is often offered *for free* to children and young people for the first time?

3. What advice would you give your friend if you knew they had started taking Cannabis?
