

**Scene Two**

*Rosie walks forward, Chloe following in awe and Bethan stumbling along behind.*

Rosie Mum and Dad are away for the whole week!

Chloe Really and they've left you alone in the house?

Rosie Yeah, they go every year normally I go with them but I couldn't leave you alone could I?

*Bethan is desperately trying to get their attention, she is waving and jumping around, shouting PE!*

*Chloe and Rosie totally ignore what Bethan has to say.*

Chloe So what do you do when you're on your own?

Rosie I usually have a few parties, they're really exclusive! You can come if you want.

Chloe That's so cool.

Rosie It's also good because it means my boyfriend Michael can stay over.

Chloe He stays, at your house? While your parents are away?

Rosie *(Chuckling)* Yes, of course.

Chloe Where does he sleep?

Rosie In my bed.

Chloe Oh right yeah... Have you had sex?

Rosie Yeah of course, haven't you?

Chloe *(Nervously laughing)* Yeah.

Rosie You haven't have you?

Chloe *(Stops laughing)* No.

Rosie *(Trying to reassure her)* Well, that's ok but why not?

Chloe Well, I never really got the best start in life, I mean the only sex education I ever got was...

*Chloe and Rosie freeze staring into the distance and Michael comes on stage, right.*

Teacher Good morning class, this is your sex education lesson. Now we should all know how to put on a condom. So, take the banana in your left hand and the condom in your right but make sure that you've got it the right way around otherwise it will... Ping. Oh no, I am so sorry. No that's the wrong way... 'Ping' 'Ping' 'Ping'.

*Michael runs offstage as if he is being ambushed by condoms, Chloe and Rosie unfreeze.*

Chloe        So yeah, there was condoms flying around everywhere, well then there was the time that my dad tried and that didn't go too well either...

*Chloe and Rosie freeze staring into the distance and Ben comes on stage, Left.*

Ben            Now I like to think of sex like... navigation, let's say to, Chester. Short trips leading up to Chester are fine but I would advise against going the whole way at this stage. If you've hit Queensferry, then you've definitely gone too far.

*Ben awkwardly rushes offstage, Chloe and Rosie unfreeze.*

Chloe        After that talk, I still didn't know how to have sex... Or get to Chester!

Chloe        Do you think Bethan has?

*Rosie and Chloe look over to Bethan who is fumbling about, juggling trainers and books, she looks up to them.*

Bethan        Come on P.E. five minutes!

*Rosie and Chloe face each other*

Together    *(Giggling)* No.

*Katy walks on stage in a hurry*

Katy        Come on ladies, the time is approaching nine o' clock, get to lesson immediately. *(Katy freezes)*

Chloe        What lesson have we got?

Bethan      I've been telling you for five minutes P.E. !

Rosie        Sod P.E. I've only just had my hair done!

Bethan      You always have your hair done... well, I'm going.

*Bethan, Rosie and Chloe freeze. Katy walks over to Bethan*

Katy Bethan Williams, an A grade student, she's always on time for lessons, homework is always completed to an excellent standard, however I am not sure about that Rosie Hamilton over there.

Rosie Fine, I won't stop you. Come on Chloe let's go.

Chloe Where will we go?

Rosie My house is free with Mummy and Daddy away, let's get wasted!

Bethan *(dropping her trainers)* Drunk, in school time - are you nuts?

Rosie Umm... Yeah!

*Girls freeze and Katy walks over to Rosie*

Katy Rosie Hamilton - she is a disgrace to the school. I'm not sure how she was allowed in here. In all my 30 years of teaching I have never taught a pupil so bad. Just the other day she told one of my teaching staff that she was getting on her nerves. Well I just feel sorry for Chloe Downes, she's new to the school, I just hope she make the right choices!

*Katy walks offstage and the girls unfreeze*

Bethan Feel free to ruin your education Rosie, but don't drag Chloe down with you.

Rosie Bethan, you are such a kill joy.

Bethan Chloe?

Rosie Chloe come on.

Bethan Chloe, come on - first week - really?

Rosie You won't get in trouble, not if you're with me.

Bethan Come on Chloe.

Rosie Chloe, come on.

*Bethan and Rosie walk offstage and Chloe shortly follows after Rosie. Boy's enter from the back of the stage and pick up chairs.*

Boys Enter Sixth Formers *(Rosie, Bethan and Chloe enter stage to with their backs to the audience)*

Mike Hiya Ben alright?

Ben Yeah good. So what did you do at the weekend?

Mike Oh, Rosie turned 16.

Ben Cradle snatcher!

Mike Ok, just cos you haven't had a girlfriend in a while. When was your last girlfriend Ben?

Ben Yeah, alright Mike, come on.

Mike Wasn't it like two years ago? What was her name Jennifer?

Ben I said just leave it

Mike *(Starts to sing)* And they called it puppy love.

Ben *(Gets really angry and shouts)* Mike! I said leave it, please!

Mike Ok, I was only joking. *(Awkward silence)* We've got a gig coming up soon.

Ben *(Isn't paying attention anymore)* Yeah.

Mike So don't you think it would be a good idea to phone Rosie?

Ben Yeah.

Mike Are you in a mood with me? Look, stuff this, I'm going to ring Rosie.  
*Rosie turns to face the audience and answers her phone.*

Rosie Hiya babe.

Mike Hey babe, right, me and Ben were thinking we've got a gig coming up soon, it might be best if we come over to yours to practice.

Rosie Yeah, of course, my Mum and Dad are away. Could you pick up some alcohol on the way? We haven't got much left in the house.

Mike Yeah sure.

Rosie OK see you later, Bye.

Mike Bye, Love you!

*Rosie turns to face the back of the stage and Ben and Michael freeze Katy walks on stage*

Katy Michael Priestley is an intelligent driven young man. Five generations of his family have made it in this school and I do not doubt that he will fulfil his destiny.

*Katy freezes, Chloe and Rosie turn to each other*

Chloe Who was that?

Rosie Michael.

Chloe You're boyfriend?

Rosie Yes, I'm in a band with him as well.

Chloe Wow, you're in a band?

Rosie Yes.

Chloe Do you want me to leave?  
Rosie No, of course not, actually it's a good chance for you to meet Ben, his father owns an oil rig.  
Chloe Can I ring Bethan, I feel bad about before and I don't want her to feel left out.  
Rosie Yeah, of course.

*Chloe and Rosie turn to face the back and Katy walks over to Ben.*

Katy Benjamin Farrell, this is a confusing case. He is lazy and it seems that he is waiting for something. I believe he's in a band with Michael and Rosie, and he has dreams of traveling to America. I'm not sure how far he will get with that.

*The focus changes to Chloe*

Chloe Hi.  
Bethan Hi.  
Chloe Rosie's got a band coming over later, and I was just wondering if you wanted to come round. I think it will be fun.  
Bethan Does she really want me there?  
Chloe Rosie would love you to come.  
Bethan Fine.  
Chloe OK Bye.  
Mike & Ben Exit 6<sup>th</sup> formers.
