

Resource 12a. Air Brushing Activity

Photo 1

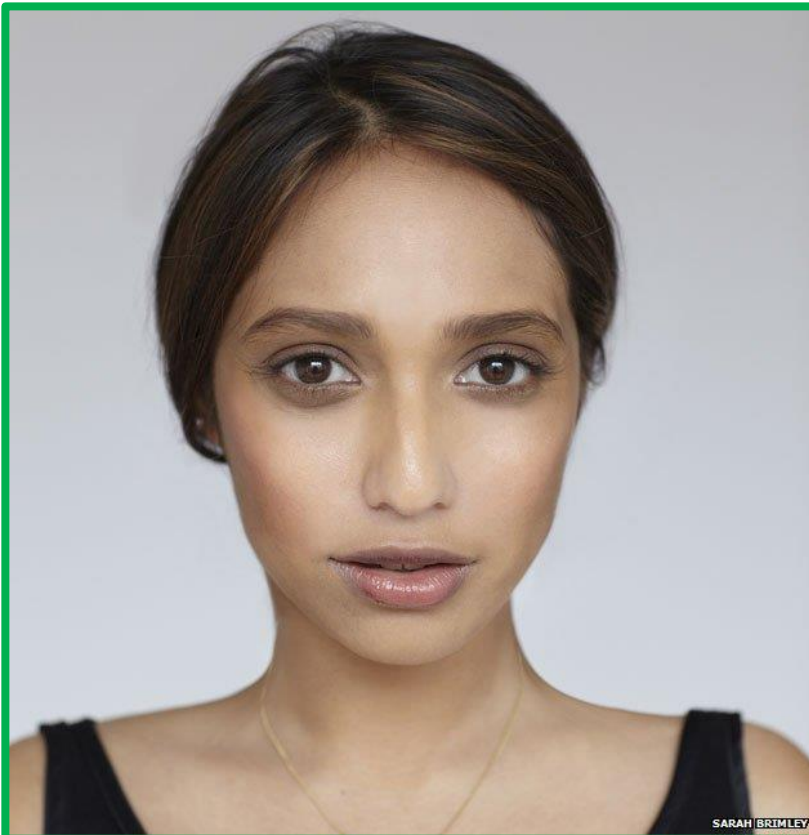

Photo 2

Work in mixed groups of boys and girls for this activity. Study the two photographs shown.

1. Can you spot at least 11 changes between the 2 photos?
2. Using a pen circle the differences.
3. Look at a selection of magazines suitable for both males and females. Can you find evidence of possible air brushing?
4. Why do you think these changes were made?
5. Does air brushing influence our perception of a perfect body?
